

+1-833-543-2021 - Can I Change My Seat After Booking with Virgin Atlantic?

When you have already decided to begin your trip with the help of one of the leading British airlines, Virgin Atlantic will not disappoint you. But it is mandatory for you to understand their basic policies, like seat selection. You must also understand what to do to change seats after making the reservation. Don't worry, here are the details below-

The Virgin Atlantic Airlines seat selection policy-

- If you have already booked your ticket without choosing a seat, log in to my booking segment on the site for the app.
- Then, if you have an economy light and classic fares, they will require you to pay in advance for any selection.
- If you don't want to pay for restrictive tickets, wait until check-in, which will enable you to select free seats from the remaining options.

- Other economy classes will allow you to choose any standard seat free of charge at any time after booking.
- If you want to choose preferred seats, they are not free for economy delight and premium passengers.
- If you are a loyalty program member, you are allowed to choose any seat for free at the time of booking.
- Silver status holders have to wait until 7 days are left for the departure to choose standard seats free of charge.

Steps to choose or change-

Go to your bookings	Fill in your reservation details on the homepage.
Search and select	Find the seating section of your particular flight.
Use the seat map	The virgin seat maps will be displayed, from which you can choose and look at the associated amount.
Pay and confirm	If your seat is paid for, you have to make the payment to lock your seat and confirm the changes or selection.
